

SAVE THE DATE!

EV SMALL BUSINESS SUPPLIER FORUM

We look forward to seeing you there!

As electric vehicles (EVs), emerging technologies, and groundbreaking innovations continue to transform the automotive industry, AIAG, TAMA, and TSMSC are uniting leading industry experts to explore the latest advancements, research priorities, and workforce solutions — all through the lens of empowering diverse suppliers within the evolving EV landscape.

Agenda Topics:

- EV policy regulations and incentives
- Direct and indirect sourcing opportunities
- Access to capital
- Value of disadvantaged business partnerships
- Industry transformation
- Small business success stories
- Workforce challenges and solutions
- Insights on the new administration
- Available training programs and resources
